To Whom It May Concern:

It is my pleasure to recommend Ms. Dana Zhumabekova for the The Global Undergraduate Exchange Program. In this fall semester I was her instructor for "Computer Systems and Organization" course. She was one of the best 3 students out of 82 in the above course.

Ms. Dana's has shown very high eagerness to learn and stayed on top of material in the class. Her oral and written communications skills are quite good. She is sociable, modest, open to new ideas and well respected among her friends. Her leadership qualities and responsible nature makes it easy for her to study abroad and work in groups.

Ms. Dana is very diligent student. Considering her ability and achievements, I am sure that she will successfully complete your program. Once again, I strongly recommend her to your program. Please feel free to contact me if you need more information.
