

## FINANCIAL SUPPORT CONFIRMATION

All Summer Work Travel participants must have evidence of sufficient finances to support themselves for their stay in the United States, including housing and living expenses. Although the program has a work component, participants are required to bring at a minimum of \$1000 with them to the U.S. to cover their initial expenses and should expect only to earn enough funds to cover their expenses while in the U.S.

Participants may not earn back the costs they spent to come to the U.S. and GEC does not encourage participants to obtain loans or borrow money from others in order to participate in a GEC program.
