

# *Facts about my home country of Kazakhstan*

Kazakhstan is the largest landlocked country in the world, with Russian to its North, China to the West, Uzbekistan down South and the Caspian Sea on its Western Border.

Kazakhstan is home to the Baikonur Cosmodome, the world's first and largest space launch facility. It is leased by the Russians until 2050.

Turkestan, the historical center of Kazakhstan's culture, was founded over fifteen centuries ago.
